Why Choose our Bespoke Collection

Find the right kitchen to suit your home.

—

You've got lots of things to consider when purchasing a new kitchen. Do you want the style to match your property, to match your taste or are you looking for something totally unique? Kitchens aren't something you purchase regularly so take your time researching as you consider style, finish, colour and design. Your On-Trend retailer will advise you on design to ensure you maximise your storage space from a practical point of view and simultaneously create a designer space to be proud of.

What's Different

about us

Superior Finish

A kitchen is a considerable investment and the On-Trend range is meticulously tested to ensure we provide kitchens of the highest quality. All of our furniture products are FIRA Gold certified, the industry's independent guarantee of quality and FSC certified, assuring you of our commitment towards responsible sourcing. Look for our mirror like painted finishes and tactile matt products that give you a kitchen to be proud of.

Paint to Order

On-Trend offers a vast colour palette but we appreciate that everybody is unique! If you want a unique kitchen to match your unique personality then our paint to order service is for you. Choose from even more colours which we've segregated into warm and cool or ask us to colour match your favourite colour sample. You really can have any colour you want.

Sleek Design

Everyone dreams of a beautiful kitchen and at On-Trend we've got the products to make those designer dreams come true. From Lucente corner posts that mirror the J pull door for symmetrical design through to the hugely fashionable textured Linear range, every aspect of the On-Trend collection has been carefully considered. Look for our designer choices too if you need any more inspiration!

Traditional Heaven

We've seen a resurgence in demand for traditional styled products over the last few years as homeowners embrace the character of their home and the more ornate accessories within traditional ranges. If you want to live in Traditional Heaven, then On-Trend is the brand for you with a vast array of doors, colours, handles and traditional features such as mantels, pilasters and Belfast sinks.

Curves

Soften the lines in your kitchens with the fabulous curves in On-Trend. We offer curved doors in almost every range and the majority have 3 size options too. Look out for our 895mm high curves that are ideal for rooms with taller ceiling and where storage is at a premium. Our 1245mm curves make stunning statement pieces and are also used for creating media stations.

Choosing your perfect kitchen

Style

We've got every major kitchen door style and substrate covered from slab to handleless and contemporary to traditional. Pick a style that suits your home, your taste, your lifestyle or all 3!

Layout

Work with a designer to maximise your room space and get the most from your new kitchen. L shapes, galleys and C shapes are some of the most popular designs now.

Colour

From light tones to dark tones, neutral to statement colour and personalise your own colour, On-Trend has it all.

Accessories

Our kitchen ranges have vast accessory options to enhance your design and create specific feature areas.

Lucente Paint to Order

What is paint to order?

The Lucente range offers a vast choice of colours in both gloss and matt finishes but if you've not yet found a colour that's for you then our paint to order service is bound to put a smile on your face! We've chosen a colour palette of 23 that covers the most requested colours across the country and if that isn't enough we also offer a colour match service. Simply bring a swatch or colour reference to your retailer and we'll match your door colour to it. You really can have any colour you want.

Cool Palette

Our contemporary Lucente door has been a firm favourite for years and is also available in a cool hand painted matt finish. The cool palette offers a beautiful selection of whites and greys tones that are established in the UK market while blue is an emerging choice that offers a highly fashionable kitchen.

Warm Palette

Choose a minimalist Lucente kitchen from any one of our warm colour palette choices and you'll create a kitchen to be proud of. Our warm colours create an inviting feel to the kitchen and can be perfectly complemented by more neutral wall and floor colours.

The Vivo+ Collection

Vivo+ is the perfect choice for modern living. A simple, easy to clean shape without any of those dust and dirt traps to slow your daily routine down. Vivo+ is available in both high gloss and tactile matt finishes with a multitude of popular colour choices. Vivo+ doesn't compromise on quality either with both the door front and edge being painted for a seamless aesthetic. Why not introduce some curves to soften your kitchen lines?

Lighting

Mood lighting and task lighting are the order of the day in the kitchen as you look to create either more ambience or add practicality to workstations. Ensure you incorporate lighting at an early stage to minimise future disruption and to create a fully integrated kitchen. With LED product as standard, you can relax knowing it's not going to cost the earth.

Steina Vectra LED
Integrate your lighting within cabinets to illuminate workstations seamlessly.

Steina Faro LED

Picka Plinth Round LED

Steina Quadro LED

Soldan Flexible LED Strip Lighting

Steina Faro LED

Steina Faro lights are typically positioned subtly underneath wall cabinets. Their unobtrusive and minimalist design are a natural choice in contemporary kitchens and recommended as our brightest option.

Steina Kea LED

A classic light in the kitchen, the triangular styling of Kea is a timeless favourite in the UK. Use these typically underneath wall cabinets to provide additional task lighting. LED technology means your Kea light uses less energy and lasts longer.

Steina Downlight LED

The contemporary circular design of the Steina downlight can be used within wall cabinets to create feature display units. LED technology means your light uses less energy and lasts longer.

Plinth Lights

Add plinth lights to the base of your kitchen units to add subtle ambience to the room. Illuminate your kitchen at night solely with plinth lights to create a 'show house' effect.

Soldan Flexible LED Strip Lighting

Flexible strip lighting can be cut to whatever size you need and is commonly used underneath wall cabinets and worktops, or on plinths to create additional ambience.

Steina LED Tube

Tube lighting maximises impact and is easily positioned under wall units.

Kitchen Door Care Instructions

We recommend the following door cleaning instructions for all of our doors:

- Clean the doors using only a solution of 95% lukewarm water with no more than 5% soap.
- DO NOT spray anything on to your doors, this includes the solution recommended above.
- Use a clean damp (not wet) cloth
- Dry with a soft clean cloth. If it is a timber door, run the cloth along the grain direction.
- Any cooking marks must be wiped immediately.
- Do not allow liquids to seep into joints of doors. Wipe any spillages immediately.

DO NOT use any of the products listed below to clean the door as they may mark and damage the surface:

- Wax furniture polish
- Bleach / chlorine based cleaning products
- Abrasive cleaners
- Solvents
- Multi-purpose cleaners
- Alcohol based cleaners
- Ammonia or any other similar product
- Scouring pads or abrasive cloths

Environmental Information:

Please be aware, localised or intense heat/steam can damage fascias. Subsequently the use of small appliances such as kettles, toasters etc. in close proximity to your kitchen fascias should be avoided. Doors should not be exposed to extreme temperature changes. Due to their manufacturing process, vinyl doors must not be exposed to temperatures above 70°C as this may cause damage to the door's surface.
